

Promote ISTE's Webinar Series' *Season Pass* to your members, and earn **cash** for your Affiliate organization!

What is an ISTE Webinar Series *Season Pass*?

A single purchase that gives access to all webinars (and archive recordings) in the 2008-2009 ISTE Technology in Practice webinar series.

How much does an ISTE Webinar Series *Season Pass* cost?

\$795 for ISTE members/\$1975 for non-members

How does the incentive program work?

Members of your Affiliate organization purchase ISTE Webinar Series *Season Passes*. You receive a check for \$100 per purchase.

It really is that simple.

How do my Affiliate members sign up?

Go to www.iste.org/webinars, and click on the "Register Now" button.

How does ISTE know if a purchaser is an Affiliate member?

Be sure your members have updated their ISTE member (or purchaser) profile to include your Affiliate. This is the only way we can credit your organization.

Who do I contact for more details?

Debren Ferris, Webinar Project Manager at dferris@iste.org.
